

# *Tornado Body Dryer*

A Gentle, Safe In-Shower Drying Unit

## Benefits

- Reduce pathogens
- No more wet, smelly towels
- Dry even the hard-to-reach areas
- Reduce steam / condensation / mildew
- 70% less energy compared to towel usage
- Blanket of gentle warm air dries head-to-toes front, sides, and back simultaneously — perfect for those with limited mobility

**An Aid You Need – A Luxury You Deserve**

## **Ideal for:**

- Those with sensitive skin, including:
  - The elderly or diabetic with paper thin skin
  - Those with skin rashes / ailments / burned skin
- Those with balancing issues
- Amputees / Wheelchair Users / and other Physically Challenged
- Those that simply want a spa-like luxurious drying experience without leaving their nice warm shower enclosure.

## Features

- ✓ Compact and lightweight (approx 9 lbs)
- ✓ Attractive, durable ABS plastic casing
- ✓ Easily installed **inside** shower enclosure
- ✓ Two speed settings; simple and safe to operate
- ✓ Consistent, even airflow \*
- ✓ Powerful, energy efficient 220v / 12.5amp motor
- ✓ Maintenance-Free / Reliable / 1-Year Warranty

\* Patented airflow design creates a tornado-like vortex of air providing a powerful, yet gentle, breeze of **warm air flowing evenly from head to toes**.
